Why Does It Matter

Projected Average Monthly Enrollment

Areas of Concern

- Do we have enough PMPs to manage influx of new members?
 - Do rural areas have access to PMPs?
 - HIP has 1000 fewer PMPs enrolled than Hoosier Healthwise
 - Even with 400000 new members, HIP would still be at a better ratio than HHW at approximately 100 to 1 with PMPs
- Mental Health providers
 - Stagnant growth over last ten years
 - Decrease in last five years
 - Increase in those utilizing services

Areas of Concern

- Dental
 - Pediatric Dentist
 - Education issue
 - Rural communities
- Transportation
 - No real growth in last ten years with decrease in last five
 - Fewer providers offering non-emergency transportation
