Indiana Council of Community Mental Health Centers
Corporate Partner Program
2019

INDIANA COUNCIL
of Community Mental Health Centers, Inc.
A Partnership at work for you

CONNECTING YOUR BUSINESS TO INDIANA’S BEHAVIORAL HEALTH LEADERS

The Indiana Council of Community Mental Health Centers (Indiana Council) is the trade association representing every Community Mental Health Center (CMHC) in Indiana. Through our statewide network, we are able to offer unparalleled opportunities for visibility within the behavioral health profession. By joining our Corporate Partner Program, your firm’s $1,000 annual contribution will offer significant return on investment via exposure to thought-leaders and decision-makers from every area of the state.

Only Corporate Partners will have the ability sponsor all four Indiana Council quarterly conferences with over 500 annual attendees. By capitalizing on exposure and networking opportunities, Indiana Council Corporate Partners increase customer touch points and impact to gain market share. In addition to the quarterly conferences, the Indiana Council also offers exclusive advertising possibilities through our annual member directory. Details for both are provided below. Join the Indiana Council Corporate Partner Program today!

INDIANA COUNCIL QUARTERLY CONFERENCES

Through Indiana Council’s four (4) Quarterly Conferences held each year, your organization has the opportunity to access Indiana’s behavioral health executives directly. Please take a moment to review the sponsorship opportunities listed below. Membership in the Indiana Council Corporate Partner Program is required to be eligible to sponsor.

All conference sponsors will receive complimentary signage at all meetings and receptions as well as verbal recognition. Sponsors will also be afforded a table-top display where marketing materials can be distributed to attendees. Other individual sponsorship level benefits are indicated below.
