Access to high quality, comprehensive behavioral health care

Development of behavioral health workforce

New Program and Partnership Highlights:

- Strengthened crisis continuum, providing 24/7 access to call center, mobile crisis team, and crisis stabilization
- Added a new clinic location in Charlestown; added crisis receiving and stabilization unit to residential treatment facility in Jasper
- Implemented behavioral health urgent care that provides a bridge to care with the goal of avoiding hospitalization

Addressing the behavioral health care needs of underserved communities

Innovative service delivery approaches
